Jaws

The Webkinz were expecting a new Webkinz on St. Patrick's Day. "Happy St. Patrick's Day, Lulu." said Alley.

"Same to you. When do you suppose our new friend is going to come over?" asked Lulu.

"I don't know. Bronta said really soon." Suddenly, the doorbell was heard.

"I got it!" said Stripes. He opened the door a little bit and saw a shark. "Aah! Don't eat me!"

"Relax, I'm not going to eat you. Are you Stripes?" asked the shark.

"That's right. And I take it you're Jaws? Like the movie?" asked Stripes.

"You got it." said Jaws.

"That's awesome. Well, come on in. I'll introduce you to the others." Stripes opened the door wider and Jaws showed himself in.
